

Passau - Budapest - Passau

Along the Danube by bike and barge – this is an especially experience since your “swimming” hotel is always with you! You cycle slightly downhill through an impressive landscape. Discover legendary Wachau region and soak into intact forests of the National Park.

Enjoy Vienna – a firework of places of interests! A city which is hard to describe, you have to feel it! During a city tour by bike you visit Stephansdom, the town hall or the ferris wheel. A stroll through Naschmarkt is a cultural and culinary experience. Relax in the comfortable coffee houses and typical wine taverns in the suburbia.

Highlights of this tour are the Danube loop, the UNESCO world cultural heritage Wachau, national park Danube floodplains and the cosmopolitan city Vienna with its numerous places of interest.
