## Baltic Coast and Pommeranian

About 500 km long are the broad and shining beaches of the polish Baltic Coast – from island Wolin to Zalew Wiślany. This bike tour leads you from Werften and river Oder in Stettin to the hanseatic metropolis Danzig, the so-called pearl of the Baltic Sea. Enjoy the landscape with the dunes of Łeba, the forests and the breath-taking lonesome landscape of the Pommern region. You cycle towards Gdąnsk and get to know this hanseatic metropolis from its best side – with its precious alleys and beautiful church.
