# Itinerary

## Day 1 Arrival in Innsbruck

Welcome briefing and bike fitting. For the rest of the day, we recommend visiting Innsbruck's famous old town with its City Tower and its "Golden Roof".

## Day 2 Innsbruck – Brixen | approx. 50 km + transfer to the Brenner Pass

After breakfast, we will take you up to the Brenner Pass (by train or minibus). From the small border town Brenner you will cycle on a newly extended bike path, mostly along the river Eisack, first to the little village Gossensass and immediately afterwards to Sterzing, the once mighty city of the Fugger. You will continue your tour to Thumberg, to the beautiful Reifenstein Castle, and via Stilfes and Mittenwald to Franzensfeste with its famous fortress. The bike path continues to the beautiful and quiet Lake Varna, to Varna itself and finally to Brixen, today's destination.

## Day 3 Brixen – Bolzano | approx. 40 km

You will ride your bike through the Dürer town Klausen along the river Eisack to Waidbruck (view of Castle Trostburg). Here, the valley starts getting narrower and leads into the Bolzano basin. The city where two cultures meet is awaiting its visitors with many attractions (Archaeological Museum with Ötzi, the Iceman – free admission with BrixenCard on day of arrival).

## Day 4 Bolzano – Auer | approx. 30 km

Today you will pedal through numerous orchards and vineyards in the area of the South Tyrolean wine route, past many castles and ruins to the wine village Eppan and further to Lake Caldaro. You will stay overnight in the cosy wine town Auer.

## Day 5 Auer – Trento | approx. 50 km

Today's route will mainly take you along the beautiful bike path along the Adige river and partially through beautiful orchards to Salurn where the German speaking South Tyrol ends. The dam pathways lead to Trento with its lovely old town.

**Day 6****Trento – Ala/Rivalta**

approx. 45-60 km

On this stage you will notice the Adige valley getting narrower and narrower. At the same time the mountain ranges, on which for many centuries impressive castles guarded over one of the most important trade routes, are getting closer and closer. We recommend a visit to Rovereto and the city of Mozart, Ala. Then you will continue your tour on the bike path to Rivalta.

**Day 7****Ala/Rivalta – Verona**

approx. 50-65 km

On the seventh day, you will cycle on the well-built bike trail along the river Adige to Verona. There are just a few stops along the way.

**Day 8****Departure or extension**

# Tour character

You will cycle on beautiful bike paths along the Eisack and Adige river valleys. From Verona you will mainly cycle on quiet side roads. You will be taken up to the Brenner Pass from where you shall descend 1,300 meters in altitude. There are only a few short climbs on Lake Caldaro and before Verona. If you prolong the tour to Venice, the only exhausting part is the Monte Berici before Vicenza (about 400 meters in altitude). This is a bike tour for everyone!
