Bike tour to the rivers Weser, Werra and Fulda

Bike tour along the river Weser, Werra and Fulda

The river Weser is one of the most important German rivers. Starting point of this tour is the idyllic half timbered town Hann. Münden. Already here in the small town you encounter the impressive Weser Renaissance with carefully reconstructed half timbered houses. You still don't know the town Hann. Münden? Then you absolutely should get to know it. It pays. 700 half-timber-houses from six centuries dominate the townscape. Rustic bars in atmospheric alleys invite you to come in, to take a glass wine and eat some culinary specialities. Hann. Münden is the start and final destination of daily tours into the surrounding country. The romantic valleys of the rivers Weser, Werra and Fulda invite you as well as towns and villages like Kassel, Witzenhausen and Gieselwerder. From here you follow the river Weser to the castle Sababurg, the river Werra to castle Wilhelmshöhe and the river Fulda.

# Itinerary

## Day 1 Arrival

Individual arrival till 17 o'clock at Hann. Münden. After that handing over of the bikes in the hotel. In this town, where Werra and Fulda converge and become the Weser, you can marvel at the impressive Weser renaissance.

## Day 2 The river Weser

You start your cycle tour at the Weser rock, which is the place, where Fulda and Werra "kiss each other" (meet). After visiting Saba castle in the Reinhardswald (forest) you cycle further past the former Benedictine monastery Bursfelde to Gieselwerder. On the other Weser side the cycleway leads you back to Hann. Münden (about 55 km).

## Day 3 The river Fulda

Cycle tour from Hann. Münden alongside the Fulda to Kassel. Kassel is the capital of the German Fairy Tale Route and 2017 again scene of the "documenta", one of the most famous art exhibitions in the world. Visit castle Wilhelmshöhe and enjoy the spacious parks. Return trip also alongside the Fulda or via train back to Hann. Münden (about 25 to 50 km).

## Day 4 The river Werra

On calm pathways your tour leads you through a verdurous low mountain landscape. You cycle always alongside the gently curved Werra (river) to the small town Witzhausen, the town with two castles. The return trip leads you again alongside the Werra to Hann. Münden (about 50 km).

## Day 5 Departure

After breakfast starts your individual voyage home or your prolonged stay in Hann. Münden.

This is a short tour and leads through the wonderful landscape of the three river Werra, Fulda and Weser. If you would like we recommend to book a prolongation and cycle along the tour Weser bike path to the coast.

# The route

Easy. The Weser cycle way runs predominantly on roads with low traffic as well as on vehicle-free asphalted cycle ways and agricultural roads. You only have to cycle little differences in altitude, so that we recommend this tour for beginners as well as groups and families with children too.
