## North german breweries

North Coast and Breweries

### By bike along the North Sea and to their breweries

The North Sea and breweries belong to each other? Very good indeed! The famous brewery Jever is in this region. But there are a lot more good brands of beer. The most people do not combine the north with beer gardens and hops but nevertheless there are a few breweries with good beers. We would like to invite you to taste some of this brands of beer. Beside "Jever" is the "Ostfriesen Bräu" and the "Tide Bier" waiting for you. You cycle through a wonderful flat landscape which is easy for everyone. Take fresh air and enjoy the beer tasting. Have fun!
