Day 5 Islands of Hallig, Round Tour | without bike

South of Amrum lie the small islands of Hallig Hooge in the Wadden Sea. There's no better place to be in the summer when flowers bloom. It's like being in an oasis. One of the greatest tourist attractions on Hooge is the parlour called the "Königs-Pesel". It is named after the Danish king, Friedrich VI, who once spent the night there. Accommodations same as day 4. You may want to spend an extra night on the island and use the following day as a day of rest or to take an excursion to the island of Sylt.

Day 6 Amrum – Bredstedt | approx. 26-51 km

Cycle through Dagebüll and along the dikes until you reach the North Frisian town of Bredstedt. The town is known as a centre for linguistic research. Stay overnight in or near Bredstedt.

Day 7**Bredstedt – Nordstrand – Husum**
