Itinerary

Day 1 Individual arrival to Hann. Münden

Your personal tour information and handing over of the bicycles (if booked) is in the evening. A first tour by bicycle you can undertake to the old town of Hann. Münden. We recommend a little stroll through the medieval centre of Hann. Münden with the historic half timbered houses of the Weser Renaissance is very interesting. You will love the splendid old houses.

Day 2 Hann. Münden – Gieselwerder approx. 23 km

Start of the bicycle tour on the Weser Rock, exactly where Werra and Fulda embrace each other. You cycle via Reinhardshagen and past the ancient Benedictine monastery Bursfelde to Gieselwerder.

Day 3 Gieselwerder – Bad Karlshafen approx. 24 km

Today's route goes to the baroque Huguenot's town Bad Karlshafen. The centre of Bad Karlshafen with its lovely reconstructed baroque houses presents an interesting diversion to the otherwise usual half-timbered houses.

Day 4 Bad Karlshafen – Höxter approx. 25 km

The little town Beverungen retained a lot of its historical face. The town Fürstenberg with a renowned porcelain manufacture and last but not least the old hanseatic town Höxter with more than 160 mostly half timbered buildings under monuments-protection.

Day 5 Höxter – Bodenwerder approx. 39 km

Many an idyllic village on the road invites you to stay. Holzminden is well known for the production of aroma-essences and perfume-oils. The little town Bodenwerder got certain fame for being the home of the so called

Day 6 Bodenwerder – Hameln approx. 25 km

The famous town of the "Rat Catcher from Hameln" has an intact old town with marvellous half-timbered houses and buildings in the typical style of the Weser Renaissance, dating back to the 16th and 17th century.

Day 7**Hameln – Rinteln approx. 29 km**

Near Porta Westfalica the river breaks through the Wiehen- and Weser mountain ranges and reaches the Northern German lowlands. The small town Rinteln, originating from the 13th century still has many buildings from the Weser Renaissance.

Day 8**Rinteln – Minden approx. 41 km, departure**

Minden once was a flourishing trading centre but was destroyed in great parts during World War II. It was reconstructed in an exemplary way. Individual departure.

The route

The Weser River Cycle Path follows mainly side roads with only scarce traffic as well as dedicated asphalted cycle paths and country roads. Only few differences in altitude have to be managed, therefore this cycle path is highly recommended for beginners or families with children.
