

## Boat and bike Croatia | MS Aria

Boat and bike Croatia

# Island hopping in Croatia.

Get to know the dreamy island world of Kvarner Bay with the island Krk, Rab and Cres and its harbour cities which are steeped in history. Green hills, bizarre rocks and idyllic bays which are inviting for a bath. By bike and boat you can discover the beauty of this region as intense as possible.

# Itinerary

**Day 1****Arrival to Rijeka/Rijeka - Island Krk**

approx. 25 km

Embarkation between 11.00 and 12.00 in Rijeka. You are welcomed by the tour guide with drinks and a snack. In the afternoon, your boat takes you to Krk, where you set off on your first bike tour. From Njivice you take a round trip to Krk town, the main town on the island.

**Day 2****Island Krk**

approx. 40 km

Today begins with a cycle trip inland to Dobrinj and on to the pretty historic town of Vrbnik, which is located far up above on a rock. The uphill climb will be rewarded with a grande view. After lunch, you cycle on towards Krk town, where your boat awaits you.

**Day 3****Island Krk - Island Rab**

approx. 40 km

You start the day with a boat trip to Lopar in the north of the island of Rab. The bike tour begins here and takes you via Supetarska Draga and Kapor to Rab with its four bell towers. After lunch you visit the forest park Kalifront. During the guided tour in Rab in the evening you will pass some nice restaurants – choose one of them for dinner.

**Day 4****Island Rab – Island Pag**

approx. 35 km

By boat you sail to Lun at the northern point of the island of Pag, an island full of contradictions: scraggy countryside, lush green meadows, dotted with sheep. In the morning, you go on a bike tour to Novalja and in the afternoon, you cycle via Kolan to Mandre where the boat is waiting for you.

**Day 5****Island Lošinj - Island Cres**

approx. 55 km

Two islands in one day! After breakfast, we cycle from Mali Lošinj to Osor, where the islands of Lošinj and Cres are connected by a lift bridge. Via Belej and Stivan to the bay of Martinšćica, then by motor sailer to the town of Cres.

**Day 6****Island Cres - Rijeka**

approx. 20 km

The last cycle tour of this journey leads from Cres Town to a viewpoint near the village of Predošćica. Let your gaze wander once more over the unique landscapes before you cycle back to the ship and sail to your starting point in Rijeka. On the way, you can take another plunge into the beautiful waters of the Adriatic.

**Day 7****Island Cres - Rijeka**

approx. 30 km

The last bike trip on this tour takes you from Cres town to a viewing point at the village of Predošćica. Have a last gaze at this unique countryside before you cycle back to the boat to sail to Rijeka. On the way, enjoy a last hop into the wonderful waves of the Adriatic.

**Day 8****Rijeka/Departure**

Disembarkation is after breakfast until 09.00. Then you set off on your individual journey home or get your transfer to the airport.

# The route

Basic level of fitness necessary. The routes can reach an altitude of about 300 metres. Hilly and mountainous terrain and the roads are mostly asphalted and there is little traffic. You are required to wear a helmet under the age of 18.
