Itinerary

Day 1 Hinweis

Any changes in the course of the trip (especially on the first two bike stages) must be reserved in February and March due to hotels till closed!

Day 1 Arrival in Playa de Palma

Take a taxi from the airport to your first hotel in Playa de Palma (approx. 10 km).

Day 2 Playa de Palma – Colònia Sant Jordi approx. 55 km

Welcome reception and discussion of the tour. Your first stage will take you along the coast to Capocorp Vell, the Realm of the Cyclops (remnants of the native inhabitant dwellings). Typical wind mills line the way to the salt fields of Llevant with its pink and white shimmering salt lakes. In Sant Jordi, sandy beaches with crystal clear water are awaiting you.

Day 3 Colònia Sant Jordi – Porto Cristo/ surroundings approx. 55-65 km

Today, you will cycle through Ses Salines to a botanical garden and visit the picturesque bay of Cala Santanyi. Later, you will continue your journey through small fishing villages to the famous natural bridge “Es Pontas”. At Porto Cristo you will discover the Dragon Caves with their bizarre images and shapes.

Day 4 Porto Cristo/ surroundings – C’an Picafort approx. 60 km

On the fourth day, you will cycle through the sedate village of Son Carrio to Manacor, the city of the Majorcan beads and pottery. Afterwards, your journey will take you through Petra (typical Majorcan lunch snack will be prepared) and Santa Margalida and through one of the most charming landscapes of the island to C’an Picafort.

Day 5 Port de Pollenca - Alcúdia - C’an Picafort approx. 40 km

You do not need to pack your suitcase today. You will stay for another night in C’an Picafort. Today’s tour will take you through a bird park (nature reserve) to the Bay of Pollensa (Roman port). Later, you will continue along the coast to Alcúdia (oldest city of the island) and back to C’an Picafort.

Day 6**C'an Picafort – Port de Sóller approx. 50 km + bus transfer**

Today you will cycle inland through Muro and Inca to the mountains cape of the Sierra de Tramuntana. A bus will take you to the Lluc monastery (possibility for sightseeing) and later to 1,200 m above sea level. Afterwards, you will continue your trip through Fornalutx (most beautiful village in Spain), and partly through orange and lemon plantations to Port de Sóller, one of the most charming fishing villages of the island. Usually, you will get the chance to enjoy an excellent paella meal in Fornalutx (inclusive).

Day 7**Port de Sóller – Playa de Palma approx. 55 km**

Breath-taking views of the sea are accompanying you on the last cycling day. You will cycle through the picturesque towns of Deia and Valldemossa until you get to the West coast of the island leading you to the city of Palma. The capital city with its narrow alleys and squares is a must to explore before you are heading back to where you have started your tour.

Day 8**Departure or extension of trip**

The route

The different stages are easy to moderate in severity: Some climbs will be followed by pleasant descents; more difficult stages will be taken by bus. You will cycle mainly on side roads, country roads, as well as on some beaten tracks, avoiding traffic as much as possible.
