

10-lakes round trip

And the sound of music

Mondsee, Attersee, Traunsee, Wolfgangsee, Wallersee, Trumer Lakes and many more! The well-known lakes in the Salzkammergut are particularly popular because of their natural and cultural diversity. Every lake tells its own story: from Empress Sisi to the Trapp family, you will learn some anecdotes about famous Austrian people.

The tour starts and finishes in beautiful Salzburg. Via Gmunden, Hallstatt and Bad Ischl you cycle to the ten lakes. The rolling hills allow you to rest during the downhill before the next slight incline is due. Do you love to combine experience and relaxation? Jackpot! Then the Ten Lakes Tour is perfect for your next bike adventure - because with each pedal you get closer to the enchanting lake scenery.
