### Discover Tuscany...

Named after the crafty Etruscan people is this picturesque landscape with the typical skyline of villages on top of hills and arbour vitae puncturing the deep blue skies. Florence comes into mind, the "flourishing", with a fleur-de-lis in the city cote of arms - the city of the Medici, Dante Alighieri and origin of Renaissance style. Tuscany stands for rich culture, ochre coloured farmhouses, silver green olive groves – and palazzos, numerous and everywhere. It is a magic place, attracting tourists of all over the world. And there is no better way to discover than by bike!
