Moorland of Lüneburg

Roundtrip through the Heath

Follow the tracks of Hermann Löns.

Romanticist, venturous roller coaster heroes and friends of culture – they all love the moor land of Luneburg like poet Hermann Löns did. We are not surprised about that! Amusement parks, old timbered houses, big cities like Bremen and an especial train station in Uelzen: this region is multifunctional – and you will find no mountains here. But this is no disadvantage for bikers. You will cycle on excellent bike paths. This moor land and your bike: fits perfectly!

Itinerary

Day 1 Arrival Lüneburg

Individual arrival in Lüneburg. In the late afternoon the tour briefing and the handing over of the hire bikes (if booked) follow.

Day 2 Lüneburg - Uelzen

You still cycle through a typical heath landscape. Uelzen is today's destination of your stage. Art awakens interest here too. During the Expo 2000 the railway station in Uelzen was rebuilt in the style of Friedensreich Hundertwasser to the worth seeing Hundertwasser – station. (about 55 km)

Day 3 Uelzen – Celle

Through little villages your today's stage leads you into the residential city Celle. About 480 restored half-timbered houses are the historic district here. They and the castle of Celle tout for your attention. Enjoy the superb buildings during a stroll through the historic district. (about 60 km)

Day 4 Celle – Hermannsburg/Surroundings

Alongside the river Örtze little wooden bridges invite you to stay and allow you a good view onto the Örtze valley. From here you can observe with a bit of luck interesting things in nature. Hermannsburg looks back onto a more than 1,000 years old history. The Saxon duke Hermann Billung had probably built a castle near the today's Peter Paul church, which became later on the centre of the settlement. (about 40 km)

Day 5 Hermannsburg/Surroundings - Soltau

Through the nature park "Südheide" you cycle past the Lönsstein (monument) into the town Soltau with the worth seeing town hall, the North German toy museum or the well known Heide Park (amusement park) with many shows and attractions. (about 49 km)

Day 6**Soltau - Schneverdingen**

Tour-Stations on your today's stage are Wiedeholz, location of the last knights battle, as well as the former heath farm and the typical Gothic heath church in Wolterdingen. Enjoy the rest of the day in Schneverdingen and visit for example the heath garden with 130 different heath variations. (about 35 km)

Day 7**Schneverdingen – Lüneburg**

Bicycle tour through the typical heath landscape of the national park "Nordheide". Heath, pine forests and German heaths shape the broadness of the landscape. Via the "Wilseder Berg" (hill) and little romantic hamlets your way leads you to Lüneburg with its picturesque centre. (about 50-65 km)

Day 8**Return journey**

Individual return journey after breakfast or extra nights.

The route

You cycle on bike paths and side roads. In the nature reserve unfortified wood paths or gravel paths. Traffic? No problem! You will cycle on bike paths also in bigger cities.
