Main cycle path | Bamberg-Aschaffenburg

From Bamberg to Aschaffenburg

In large bends river Main flows through varied country Franken. He seeks his way through marvellous Franken wine-growing area and meanders through Würzburg and once much feared dark forest of Spessart. The scenery along river Main belongs to the wealthiest and most varied parts of Bavaria and Hessen. A long and ever-changing history left many castles, fortresses, monasteries, churches and chapels. Many famous and unique cities assemble along the river: old Imperial residence Bamberg, old residence Würzburg, half-timbered Miltenberg or boisterous Ochsenfurt to name only a few of many. An excellent cuisine spoils the palate of the cyclist: rustic beer gardens and wine-taverns invite to taste local specialities. Idyllic, historic and refreshing – that is Main cycle path in a nutshell for you.

Itinerary

Day 1**Arrival in Bamberg**

Start the trip with a walk of the city of Emperor Heinrich II, who dreamed of Bamberg, realised and loved it and who was interred in the dome.

Day 2**Bamberg - Schweinfurt**

approx. 55 - 60 km

You will be cycling through the valley, following the Main. Today's stage will leisurely take you through wine villages and orchards along the river. Later, you will cycle through Haßfurt and finally reach Schweinfurt in Lower Franconia, with its beautiful Holy Trinity church.

Day 3**Schweinfurt – Kitzingen**

approx. 55 km

In the pilgrimage church Maria im Weingarten, which was built in the 15th century, you will find the famous floating Madonna in the Rosary by Riemenschneider. Volkach is the centre of the Maindreieck wine region. The Main continues meandering along the valley towards Kitzingen, which is famous as it boasts the oldest wine cellar in Germany.

Day 4**Kitzingen – Zellingen/Karlstadt**

approx. 55-65 km

The river and along with it the Main cycle path, makes a dramatic turn and lead you towards the Franconian metropolis of Würzburg. You shouldn't miss the Baroque Castle here and the World Heritage Site of the Würzburger Residenz Palace, which towers high above the town. Also worth to look at are the Old Bridge and the traditional vineyards within the city. The way onwards to Zellingen and Karlstadt takes you along nice and easy paths.

Day 5**Zellingen – Marktheidenfeld**

approx. 50 km

Another day of beautiful old towns and vivious landscapes awaits you! You will coast along flat paths via the Three-River-Town of Gemünden to Lohr with its historic buildings.
