Itinerary

Day 1**Individual arrival at Lake Starnberger See**

You receive your travel documents at the reception where you will be informed where to find your rental bikes.

Day 2**Excursion to Lake Riegsee and to Murnau approx. 55 km**

Your tour leads you via beautiful paths through intact nature to Lake Riegsee. We recommend making a detour to Murnau (beautiful market square, a lot of sight seeing possibilities). On your return journey you pass picturesque Oster Lakes, a group of about 20 little and warm Lakes.

Day 3**Excursion to Pfaffenwinkel approx. 35 km**

After your bike tour you will understand why monks, nuns and cleric people built 159 churches and monasteries in this region. You will discover a beautiful landscape. We recommend visiting the city of Weilheim where you can make a jovial rest.

Day 4**Excursion to Munich approx. 60 km + train**

By train to Munich. The best way to discover the Bavarian capital is by bike. You cycle through the English Garden from one highlight to the next one. On Isar bike path you are going to Wolfratshausen and back to your hotel.

Day 5**Excursion to Lake Amersee and monastery Andechs approx. 30-40 km**

Today a highlight is waiting for you! Abbey Andechs is very absorbing for cultural interested people – and also the beer garden is pretty nice. You can reach Lake Ammersee on a beautiful promenade and also by bike.

Day 6**Excursion around Lake Starnberger See approx. 50km**

Enjoy your tour and the villages around the Lake! You will pass the villas of the Bavarian prominence as well as shady beer gardens, Italian ice cream parlours and dreamy bays.
